

4. SUSTAINABLE LEADERSHIP

Managers' Priorities for the EU Parliament Election

**Involving leaders
can become
a crucial resource
for solving
the climate crisis.**

**Only a minority
of managers has
the skills and knowledge
to create sustainable
business models,
products and services.**

**SUSTAINABLE
LEADERS**

Research

for the Sustainable leadership EU project

**We envision a world
in which leaders
act for a net
positive impact
by transforming
the world
of work sustainably.**

**USE
YOUR
LEADERSHIP.**
