

# 5. DEFENDING DEMOCRACY AND PROMOTING SOCIAL DIALOGUE

## Managers' Priorities for the EU Parliament Election

**CEC European Managers  
expresses its non-partisan,  
but firm support to  
democratic forces  
and encourages its affiliates  
to lead conversations on the  
value of democracy and  
shared decision-making.**

**We encourage managers,  
responsible for millions  
of workers,  
to stand up for democratic  
values and express  
non-partisan support  
for democratic forces.**

**CEC emphasizes  
the importance  
of legitimizing policies  
based on their impact  
and calls on courageous  
European leaders  
to unite citizens  
around ambitious,  
yet pragmatic visions  
for the future of Europe.**
