

Danish Presidency of the Council of the EU: What's in there for managers?

#USE
YOUR
LEADER
SHIP

STRENGTHENING EUROPE'S SECURITY FRAMEWORK

Stability for industrial managers

Innovation opportunities, as open
EU procurement invites
collaboration and standardization

A resilient workforce

GREEN COMPETITIVENESS & REGULATORY SIMPLIFICATION

**Regulatory simplification in green,
chemical, and agri-rules eases
bottlenecks that burden companies**

**Support for innovation-oriented
frameworks**

Modern industry policy

RESEARCH, INNOVATION & WORKFORCE READINESS

Strengthen links between
academia and industry

public-private coordination, in
"critical tech" like AI, biotech,
and space

Provide learning upskilling
platforms

(so managers can lead this transition)

Access to emerging labour
markets through
the EU enlargement
fostering the EU social model
and promoting social dialogue

**ENLARGEMENT,
ECONOMIC
SECURITY &
MIGRATION**
